JMF New Zealand Limited has been testing windows and doors since 2011 and is committed to creating value that rewards members for their commitment to the project.

This commitment enabled a number of significant milestones;

- testing a suite of NZS:4211 compliant timber joinery
- publishing of the JMF NZ Ltd Compliant Timber Joinery manufacturing manual
- publishing of installation diagrams
- Masterspec specification

The current joining fee is **\$12,000 + GST** (including the Manual).

The joining fee is payable as a one-off payment, however JMF NZ Ltd reserves the right to collect and adjust revenue through tag sales, levies or royalties as deemed necessary and in line with company objectives.

The joining fee may be paid in full, or as follows with the mentioned restrictions:

- Pay within 6 months at \$2,000 + GST per month
- JMF NZ Compliant Timber Joinery Manual will be available after settlement of \$8,000 + GST
- No recognition on the JMF NZ website until the joining fee is fully paid
- No compliance tags will be issued until the joining fee is fully paid

Note: Non members must also become a financial member of Master Joiners to ensure protection of the IP.

JMFNZ Member companies will receive newsletters via links published on the jmf.nz website and email address included as an Affiliate Member on the website, unless you advise otherwise.

I agree: **SIGNED:**

Thanks for your application and you will be invoiced as above, on acceptance as an Affiliated Member of JMF New Zealand Limited. Membership is subject to the JMF NZ Ltd audit policies and procedures.

On application via the website, specifying authorities, architects, building specifiers, educational institutes and local councils are provided with access to the secure website otherwise restricted only to paid up affiliated members.
